

TWO LITTLE STARFISH

WEDDING PHOTOGRAPHY & CINEMATIC FILM

Investing in your memories.

Your wedding day only comes once, and the moments are too precious to be lost. This guide covers everything we offer so you can find the right fit for your day.

WHY TWO LITTLE STARFISH

A family team, not strangers.

We're a family team... Rachel, Eric, and Evan. We vibe together, we get all the angles, and we're genuinely stoked to be part of your story. No associates, no strangers... just us.

Real moments, beautifully framed.

Every package includes the same care and attention. We guide the timeline, keep things relaxed, and make sure you actually enjoy the photo part of your day... not just survive it.

What you can count on.

Teaser images within 3-7 days. A second shooter on every big day. Documentary + cinematic shots. Full online gallery. A fun, easy-as attitude... we promise you'll actually enjoy the photo part.
